## DX7000 (RCBO) CIRCUIT PROTECTION

### Description

This product is certified to the relevant requirements of AS/NZS61009.1

Trade mark: DEXTON

DEXTON RCBO's are impact resistant and designed for domestic, commercial or industrial installations.

To be installed by a licensed electrician.

### Features

- Residual Current: 30mA
- Number of Poles: 1P+N 2 Poles
- Rated Current: 10, 16, 20, 25, 32, 40
- Sensitivity: 6KA / C Curve
- Rated Voltage: 230/240V AC
- Rated Frequency: 50/60 Hz

### Part No.: DX7000

1P+N pole RCBO 6KA 230/240V 50/60Hz  
IEC61009-1

Rated current (In): 10, 16, 20, 25, 32

Energy Safe Victoria: Certificate No:  
ESV220115/00
